

Hi from Winbourne,

We just wanted to say a big thank you for donating to our Australia's Biggest Morning Tea event. As you know, we are fundraising for Cancer Council, who through research, support services, prevention programs, and advocacy, help thousands of Australians impacted by cancer every year.

We raised an amazing amount of \$630!!

Your generosity makes this possible and

**Together, we will get closer
to a cancer free future.**

Thanks again!

Ps: Remember, your gift is tax deductible. You will receive a tax receipt by mail or email.

**Thank you so much
for supporting
Australia's Biggest
Morning Tea**
